## Messages of Condolence

Our thoughts and prayers are with you all. Lezli was a great lady, hard working (she really was like a shark - she just never stayed still), she was kind and generous and shared her time and her talents with many. Lezli loved her family - her Mom and Dad, brothers, her husband Dave, grandchildren and of course her baby girl Tara. All of you are in my heart and prayers. I just know she is up there planning an event.... I will miss you my friend... Lynn
