June was my neighbor for many years, but more than that. She was a great friend. We spent every Sunday afternoon together and so many more times. I just can’t express the love and appreciation that I felt for her. She was so special in so many ways. A friend, confidante, dog sitter, garden raider, cat stealer. I love you June. Now you are there to keep Don in check. Good luck with that. Happy trails. Until we meet again. Must go now. My eyes are leaking.
