Messages of Condolence

I'm so very sorry for your loss, I have so many childhood memories of David, we were always friends throughout the years.

— **Kari Becker (Goss)**

I just found out about Dave, I'm so sorry for your loss. Growing up he was one of the strongest honorable man I knew. I had troubles in my youth but he never judged or belittled me for mistakes I made, but always greeted me like a long lost friend. I've always kept a place in my heart for him and have always considered him someone to emulate. He was a good man and I will sorely miss him.
