Messages of Condolence

Deepest sympathy. I was very sad to hear of Tanya's passing. I use to baby sit her back in the day. I will always treasure those memories. Unfortunately we lost touch over the years. May she rest in peace. She will always be in my heart. Marlene Coroluick.

I was very saddened to hear of Tanya's passing. I worked with Tanya at the Peter Lougheed Hospital from 2001-2007. She was a warm hearted person who spoke of her family often. She was fun to work with and had a ready smile. My thoughts are with you and the rest of her family. Karen.
