Goertz, Kerr & Collinge Families. You are in our thoughts and prayers as you struggle to fill the large void you have in your lives right now. I will always think of your mom (the instigator), of encouraging my mom (only too willing to help) drink jello shots. (Only one....of each color). It always brings a smile to my face. Love always, Ken, Shelley, Christine, Sydney & Taylor

Hey Grandma, I can't believe it's been 10 months already. So much had happened since you have passed away, I wish you were here so I could tell you all about it. I still have the urge to pick up the phone and call you every night to ask how your day was and did you go down for supper, I can still hear you say " yeah I went down for supper, it was good" and then 5 minutes later you would say " oh no, I guess I never did go down for supper." I can still see your smiling face when we walked into your apartment to visit. I miss you so much grandma, I wish we could have one more conversation so I can hear you say I love you one more time.

Rest in peace my beautiful angel. I love you to the moon and back. Till we meet again!

— **Brandi**
