

Roger Adam Sylvester

NOVEMBER 5, 2020

Roger Adam Sylvester

Born Sept. 27/1968

Passed away Nov. 5/2020

He was a brother, father, lover and a good friend

He will be dearly missed

For Roger Sylvester

Tears of joy are welcome, they are my favorite.

They are sweet and good for the heart.

Even pain deserves respect, thick with the taste

Of salt and fire of the tears I have given it too often

And that burn the wounds of the soul.

The bitterest tears however, the grey and desolating

One that I would never want to shed, are those of disappointment

And they go away at night, accompanied by a farewell.

I will miss you more than these words can express...I love you

My soul....go and be at peace, I will see you again

Wish I got to say a better goodbye buddy. You were such a great help to a 15 year old with a junky old Trans-Am, a fixer-up Cutlass, and a Nova restoration project. Always willing to lend a hand and give advice. You made our back alley a better place for over 20 years. Rest in peace.
