# Teresa Ball

FEBRUARY 1, 2026

Teresa Marie Rose Ball has passed away on Sunday February 1st, 2026, at the age of 50 after her battle with cancer.

Teresa will be lovingly remembered by her Mother Wanda, her sister Terena , brother in law Blake, daughter Tayonie and dog Bailey and is predeceased by her father Ken Mann.

She had always put others ahead of her self and was filled with generosity. Her smile and laugh lit up any room she had entered.

Teresa was passionate about music of all kinds, from the classics to country music and she had many hobbies that included her Reiki studies, long walks with her dog Bailey, camping and anything to do with the outdoors.

She was very driven by starting her own cleaning business from the ground up and was just starting to develop a company for Reiki that she was so proud of.

Although Teresa’s life was cut short, she had accomplished many things and always lived her life to the fullest, and she will live on in our hearts forever.

I am absolutely heartbroken to hear of your passing. I only learned of it today. We went to high school together, and after reconnecting in the Okanagan, it was so wonderful to see the incredible woman you had become. Even though we only chatted from time to time, I always looked forward to seeing your posts and following your journey.You were truly one of the kindest people I have ever known. Your warmth, compassion, and genuine heart shone through in everything you shared. It was inspiring to see how deeply your spiritual path and Reiki meant to you, and how passionate you were about helping others heal and find peace. You worked so hard to build a life that reflected who you were, and it showed.Thank you for sharing your light with this world. You made it a better place simply by being in it. My heart goes out to your family, friends, and everyone whose lives you touched. You will be deeply missed, fondly remembered, and never forgotten.Rest peacefully.
