Messages of Condolence

Right on....a good glass of Rye & Ginger, a game of cards with friends,lots of fun and gentle to the end. She had soft hands, friendly eyes, a warm smile and always a kind word.

Eileen was a great friend to our family and Dad loved her and appreciated her companionship when they were both alone...they had fun and that is a great thing...it makes life good.

We all at times Google the names of friends from the past. Unfortunately I see that 2013 did not have a good beginning.

Condolences to the Family.
