## Messages of Condolence

Condolences to you, Terry and to the family. Remembering our work time together with Justice.

It was a long time ago that Agatha and I went to Silver Springs School together, and the Trohak family were our neighbors on the farm South of Okla, Sk.

Terry, Tanya, Chad and families, deepest condolences on the loss of your wife and mother.

Our thoughts are with you. Growing up in south Regina, I have many memories of my mom talking and visiting with Agatha. I recall, too, those special occasions when "Cousin Agatha" as we referred to her, would send over delicious freshly baked bread. She also generously helped us out with more than one sewing project - for which we were most grateful. Agatha was a gentle, beautiful woman. May she rest in peace.

Terry:

My thoughts and prayers are with you and your family. I will always remember Agatha's lovely Rose bushes and her smile when she talked about them

— **Rosemarie Barilla**

Agatha was one of my mother Connie's closest friends for decades. I'm not certain how they met, but they just seemed to click and had such a good time in each other's company. I have many happy memories of the two of them, usually in my mother's kitchen, enjoying tea and goodies (always goodies), and sharing a laugh about something. It was terribly sad to see Agatha's talents and sparkling personality gradually fade as a consequence of dementia. I know that mom felt lucky to have had Agatha in her life. We miss her, but are relieved that her suffering is over. Terry, Tanya, Chad and families - I hope this brings you peace.
