

Diann Marie Tindall

NOVEMBER 28, 2018

It is with great heartache that we announce the passing of Diann Tindall. Diann passed on November 28, 2018 after a most courageous and feisty battle through Multiple Sclerosis and other health challenges. Diann will forever be remembered for her love of creating beautiful things, her constant determination and dedication to overcoming any of life's challenges, and most importantly her love for her family. Diann's is survived by her parents Ruth and Baltzer Schmaltz, her husband Dale, her sister Linda (Doug), her three children, Gary (Sue), Sherry, and Jim (Angie), and her grandchildren Kristi (Rick), Jessica, and Brianna, and her great granddaughter Zoie. The beauty of Diann's life will remain in all things that she loved: in lush flower gardens, in the cacti in the desert, in shoes, and in all things glittery. Please join us to celebrate the unique person that Diann was on Wednesday December 12th, 2018 at the Bethany Care Center at 2:00pm.
