

Alvin Wayne Tkatchuk

DECEMBER 21, 2018

It is with sadness we announce the sudden passing of Alvin Wayne Tkatchuk on December 21, 2018.

Alvin was fighting a battle with Parkinson's over the past years. Alvin will always be remembered as a funny man with lots of stories and love for all around him. Prior to his diagnosis of Parkinson's he was a hobby woodworker, loved fishing, hunting, and just being around people. He worked in the health field most of his life.

He will be missed greatly by the people closest to him. He left behind two sons Scott and Todd; an Angel who cared for him Marilyn Labatte; daughter-in-law Renata Tkatchuk; two grandsons who he loved so much Luka and Marko Tkatchuk; along with many family and friends. Alvin will be greatly missed and always remembered.

There will be a Celebration of Life to come at a later date.

We would like to offer our sincere condolences to Marilyn Labatte, Scott and Todd Tkatchuk, and family members, on Alvin's passing. Any memory of Alvin, produces a big smile on our faces, and there were many. We were so lucky, 30 years ago, when the Tkatchuk's moved into our neighbourhood. It wasn't long before Alvin met neighbours Don Daviduck, and later Don Osmack. We called them the "Three Amigo's". The fun and laughter they spread throughout the neighbourhood, was delightful. It was a sad day when they had all moved on to another location. Many years later when we ran into Alvin, we could see how his dreadful disease had robbed him of so much life. He was simply the kindest, most friendly, funniest man, we have met. We are so grateful to have known him and his family. Hugs to all, Love Obie and Charlotte.

— **Charlotte and Bob Oberthier**
