Dear Shirlee;
I just read about Ed's passing in the local paper.

I met Ed at senior bowling in Olds. We had many laughs while bowling; either through a missed strike, a gutter ball or a joke that had been thrown out. I will continue to have many pleasant thoughts about our short relationship.

My deepest condolences to you and family.

— John Tarapaski

So many wonderful memories with Uncle Manny and you. Our trip to Hawaii will always be a highlife event though it wasn’t his ideal vacation.2
