Shocked and shaken by such a tragic event. Theresa's smile and laugh could light up a room. My heart is with the family and Krzysztof... I cannot imagine the grief you are dealing with. My thoughts are with all of you. I have no doubt she is an angel.

Dearest Krzysztof,

When Susannah and Allan told me about the tragic accident that took Theresa, my heart was much saddened. I hope this poem may be of some solace to you.

You can shed tears that She is gone or you can smile because She has lived
You can close your eyes and pray that She will come back or you can open your eyes
and see all She's left
You can remember Her and only that She's gone or you can cherish Her memory
and let it live on
You can do what She'd want: smile, open your eyes, remember your love and go
on.

With much love,

Lena

(Susannah's mum)

My condolences to Theresa's family and close friends. Although I haven't seen Theresa in years, I have fond memories of her. She was always cheerful and happy, even when she was working two jobs and likely exhausted. This is very sad news that will leave a hole in many people's hearts.
