Messages of Condolence

My deepest sympathy in your loss .There is no need to tell you what a lovely lady Eileen was. I was across the hall at Age Care, we had many chats, about our families. The day I moved I had a bad accident & didn't have a chance to say good bye-we did have a cup of tea the evening before. Eileen was a fighter about her health, now she is at rest God rest her soul.

Big hugs,

Ella Davies

My sincere condolences to the family of Eileen. She was a lovely, lively woman who shared her smiles and laughter with everyone she met. I got to know her through the library where I worked. Every time Eileen and Nigel came in we would have a good chat. She would always be sure to fill us in with stories of Chantel. But my fondest memory is of the night I was privileged to join with Eileen and two other ladies to have a pyjama party and stay up all night watching the wedding of Prince William and Kate. It is one of my treasured memories. I hope that you will have many memories to share with each other that will bring you peace and joy with the thoughts of a life well lived.
