I haven't talked to or seen Jason in over 20 years since I moved away from Carstairs to Innisfail but sure had some great memories with Jason when I played hockey! He was an amazing kind hearted cool young man. He was a few years younger than me but I sure looked up to him in the 90's. He was an amazing skilled hockey player! Sure wished I kept in touch with him over the years. He will be sadly missed by everyone who loved him and had the honor of knowing him. GOD BLESS to Jason's wife and all his family members.

Dear Kirsty,

My heart sank for Jason and you when I heard he was ill. Being in his grad class, and realizing how young 46 is, it has pained me greatly. We prayed faithfully for both of you this past year and although he was not given a miraculous healing, God has not forgotten you or him. God will be faithful to your heart and your needs. We will continue to pray alongside you now.

Jason was an incredibly talented in sports and I will always remember how kind and respectful he was to me in school. We were seat partners the entire year in Gr. 6! I wondered why the teacher did that but I remember thinking school had never been so fun! We were often paired together in group projects during our older years at school. I remember he made me laugh, me trying to be over academic and him trying to bring more joy into the task at hand. He was right
