## Messages of Condolence

So sorry to hear of the passing of my old friend Dick Troute.

I remember the many happy times I had riding my horses around what is now Arbour Lake. Dick was always there to lend a helping hand, which was a good thing since I really didn't know what I was doing! I no longer have horses but often long for those days from long ago.

My deepest sympathy for your loss.

Betty,

My thoughts are with you and your family at this time.

I have many fond memories of your Dad when we were young.

This is a difficult time for you.

I think of you often.

I will always have great memories of Uncle Dick, and I talk often about how we used to brand the cattle and how he would extract the prairie oysters for the dogs to eat and the odd drunken weekend cowboy to enjoy.

He will be missed but never forgotten.

Love Daryn, Heather, family.
