My Dad was a great person he was carrying, loving, thoughtful and most of all really funny he was the best dad you could ever ask for I remember one time we went through a Wendy's drive through with him once and he wanted to make the workers laugh and have some fun so he asked for a date with Wendy we had a lot of good memories when we went to McDonald's or A&W or carving pumpkins now that was a lot of fun. My dad would not want us to feel sad he would want us to be happy and remember him with joy not sadness he will be missed deeply . Miss you dad
