Marj I'm so saddened to hear of Anna's passing. She was a wonderful lady and dear friend to my family. I was so happy to see her a few years ago at my mother's interment. Freshly baked buns and coffee perking in a Pyrex pot are some of the memories of the farm that make me smile. I know you have a lifetime of memories that will comfort you.

"Marjie".....I am saddened to hear of Anne's passing....She was so very special and a friend our family. I too remember the Pyrex coffee pot...the homemade butter....the "cream separator"....and the hayloft!!!. Visiting the Twedt's on the farm as young boy was such a memorable time ...which I often think of and will never forget.

My very sincere condolences to you and family.
