Messages of Condolence

I have such fond memories of my Uncle Lorne. Most of all I remember his laughter and sense of humour. My mom used to take Lorne, her younger brother, under her wing especially while he was going to university. I still have the speech Lorne read at her funeral. Lorraine and family our prayers are with you. We will all miss Lorne.

I had Lorne for elementary school as a principal and my grade 6 band leader. I remember he also produced our Grade 6 play the Magic of Believing which would be an amazing fun time to watch if we could have ever found the recording of it. Lorne was passionate about music and as a conservatory Piano teacher he also ignited my passion for band. Our dance band "Midnight Hour" to the marching bands (I still have my uniform), to the concert bands he was always in the forefront. I'm certainly confident that the heavenly concert band is happy to have another conductor. My sincere thoughts and prayers to Lorraine and family.

— Donna Tona

My deepest condolences. Being involved in the music program opened my life to so many wonderful experiences and wonderful people. I will always be greatful to have had you for a teacher.

Lorne is the reason I raised my family in Rimbey as he hired me to teach music here in 1990. He was always helpful and encouraging with my musical productions and classroom subjects. My deepest condolences to the family.
