Mauno Arvid Vahasalo

APRIL 1, 2023

Please leave words of love and support for the family.

Messages of Condolence

Mauno will always be this beautiful person we have known for decades. His strong voice, wide smile and shining eyes lift our hearts and bring encouragement every time we think of him. We love his welcoming hugs. Even though we are separated from him right now - we know it is only temporary but soon we will once again see him and spend time with him as we always have. Mauno is a blessing. Thank you for your service Mauno. We love you guys. Rod and Susan
