I only learned of Mark's passing tonight and my heart saddened. I last saw Mark about a year and a half ago as we had gotten each others numbers again after some years passing and I was excited to say hi to him. We dated briefly many year back and he always held an extra special spot in my heart. I am so very truly sorry for the loss of a wonderful man, son, friend. I'm sorry I was not able to attend his celebration of life because that is truly what it would be a celebration of a sweet loving individual. I will forever keep you in my prayers.
