Messages of Condolence

My condolences Tanta Sini, Lucas, Wannatta and George.
Oom Luc was a very talented man and great supporter of his family. I enjoyed our wonderful childhood gatherings with your family. I wish you all peace and fond memories.

Lucas van Dyk, (Oom George and Tanta Elsie)

Dear Sini and family, we extent our condolences with the loss of Luke. This came as a surprise seeing his obituary in the paper and did not know him being in a care facility. We pray that our Lord will give you all you need when going on without Luke. I (Hank) am glad for the time that Luke and I worked together and the contact we had over the years going back to the early 70’s, because of him I got started at Associated Engineering working in the civil structural department. Also remembering some good times at Bergen. Many of us are getting older and jet, I was also surprised that Luke was already 92.
Wishing you strength and peace,
Hank and Willie
