Messages of Condolence

Hi Van Eerden family, my condolences to all of you, we have such great memories of your mom. Your parents were there for us when we immigrated, we slept over the first night and they helped us with getting mattresses and necessities until our container arrived. They were such a blessing .We have spent many Sunday's after church for coffee and hamburgers, birthdays with the sisters and the babies, mom's baking and her down to earth practical mom stuff, I loved your Mom

We are so sad for you..yet at the same time rejoice that your beloved Mom, wife, Oma, friend is now with her Lord enjoying what eye has not seen nor ear heard. She is beyond all the frailties and sorrows of this world, perfectly whole and wondrously happy! May God surround you with His love, encouraging you with His amazing grace and strength as you go through these next days May His sure promises continue to uphold and sustain you.... and may good memories of all the warm and fun times you had together also lighten your hearts even as you grieve. With our prayers and deepest sympathy. John & Ruth

Coby, my heart aches for you. Parents die too early, regardless their age but as Christians, we grieve with a smile in our eyes. You are in my thoughts and prayers.
