## Messages of Condolence

Aunt Phyllis, Troy, Kathie, Terena and all my second cousins:

My little family and I are so saddened by the loss of Uncle John. Despite how far apart we all live, I have some clear and wonderful memories and I will always remember Uncle John's booming voice, so full of love for us all. I wish I was close enough to hug you all. I have been and will continue to think of you all every day. I hope you can give each other strength.

All my love, your cousin Kristen

My father was such an inspiration to me and to so many others. A lovely human being who cared deeply for his friends and family, who would give the shirt off his back to help anyone in need, who rescued animals, loved nature and hated violence. The world was made better by his life and, while now emptier with his absence, he leaves behind so much good. I miss him.

— **Kate (Kathie) Vance**

May John rest in peace now. Thinking of you Phyllis and family. I'll call you soon.  
Love and hugs to you Phyllis, from Dianne & Ed

Phyllis, Terena and family

As the first anniversary of John's departure to be with his Lord and Saviour, I pray you find peace in the truth that he is with Jesus.

You will see him again, and know that the sorrow you feel as you miss him will be assuaged by the fond memories you have of that dear, kind hearted man.

He lives on in our memories and with our Lord.
