Dear Aunt Elsie and cousin Lisa and family
When I think of Uncle John I think of smiles and laughter. He always had a huge smile and something fun to say. I pray that your many memories will bring you peace and comfort until you meet again. May God’s arms hold you all in a strong warm embrace.
With much love
Judy

Aunt Elsie, Lisa and family, I am so saddened by your loss. I have such fond memories of when I was a kid, teenager and adult interacting with Uncle John. He was always full of fun and mischief and always treated me with so much kindness and love. I will especially remember the times we spent together at the hospital when Tina was sick….I was in awe of the way he cared for her and the love and compassion he showed during that very difficult time…now he is reunited with his girl! May you all feel the strength and peace of God in the days ahead as you grieve your husband, dad, and grandpa. Much love and hugs, Sue

This world has lost a great man, a father, husband and mentor. I shall cherish the moments we had together and know he is with Tina and Dad creating a little havoc. I look forward to seeing Auntie Elsie and Cuz Lisa and others to share stories and laugh and cry.
