Raymond & I were lifetime neighbors as were our parents. He was an ambitious man who did quality work on every project he took on. It was always a pleasure to have coffee with him. He will be missed. Our condolences to his family.

— **Bruce & Carol Smith**

I have fond memories of my time working with Raymond as an exchange student in 1973. I am visiting Canada with my wife this month and had thought of dropping in for a visit. Sorry that that is not possible now.

Best wishes, John
