So sad to see my old fishing buddy pass on. We had several nice trips together in Northern Saskatchewan. Ev was always thankful we went to some dances with Dave in his single days as both loved to dance and Russ hadn't caught that bug yet! Our condolences and best wishes to all of the family!

My condolences on the passing of David. I only had a few interactions with him but it was for many years and I helped him support the clients he had with Manulife. He was always friendly, humble, and a class act.
