Messages of Condolence

I met Frances many, many years ago when i was in Iode

We stayed friends.

Even when i moved to Edmonton, Frances would call me when she would come up to stay with her family.

When i moved back to Didsbury, and ran the Iode Christmas sale, she would put all the things to sell into her garage for me for safe keeping.

When i quit Iode we still remained friends over the years and would either meet for coffee, or talk on the phone.

The last time i saw her she was in the Didsbury hospital just before she moved into the lodge.

I will miss her.

I never did get to speak to her one last time or visit her one last time either. I was involved in another move again to Innisfail and was so busy at the time.

She was a very kind and special lady and i, like everyone will miss her a lot.

My deepest sympathy is extended to you all, at this time

God Bless!
