Ronnie!!

Crap! I'm missing you too much already! We're having some good laughs and some darn good cries over you! Finding some pretty handsome pictures of you....and I can't tell you how much we love those "perm" pictures! Had a beer with ya in the garage yesterday Cheering and thanking you for everthing you've done for me, thank you for the long talks, laughs, support, jokes, most of all thank you for being part of our lives, in my heart always.....

We are so sorry to hear of Ron's passing. Leo and Ron go way back working together at the jail for many years. They had many good laughs. Ron's sense of humor always shined through. Together we went on a few road trips with Ron and you never knew where you were going to end up but we always had lots of fun! We have very fond memories of Ron. Unfortunately over the years we lost touch with our busy lives but we often wondered how Ron was doing. Ron will be deeply missed by everyone who had the pleasure of knowing him. Our thoughts and prayers go out to his family.

With our deepest sympathy, from the "Pityn" family.

Not all of us got to meet Ron, but felt as if we knew him, through the stories Chrissy shared with us. I hope they are celebrating now together! May you take comfort in the days ahead, knowing we care! Much love to you all! xoxo

— **Angela Renaud**

My thoughts and prayers are with you during this difficult time. Today and always, may loving memories bring you peace, comfort, and strength. Big hugs to you all
