## Messages of Condolence

Don was always a very interesting gentleman to sit and talk to. We live at North Oaks Manor and enjoyed both Don and Justina while they lived here. Condolences to the family we know he loved his Lord and that gives such hope to all of us.

Brian and I enjoyed getting to know Don through our Connect / home group. We loved to hear him read God's Word and he always had a big smile plus story or two to tell of his adventures as a teacher etc.. Due to his memory, he sometimes would pause midway through a story, give a little laugh and shyly say, "I'll tell you the rest later."

We regret that we will not be able to attend Don's memorial service as we are in Alberta until next week, but send our sincere condolences to his family and many friends. May all the precious memories you have to share help ease the pain of parting.
