Messages of Condolence

It was very sad news of the passing of our friend Roy who we had known for 42 yrs. Not only was Roy a friend, but he was the brother I never had. We spent many hours making wine and, of course, drinking it. We also played snooker and Roy won 9 out of 10 . We also worked for the same courier co. for a number of yrs. Jean & I (yorkie) will miss him greatly.
