Was just going through all my M.I.A. (I am 66). Brent had four tats I think. I think we both got eagles that day. Me and Brian drew mine, Ace.. It was my 19th birthday, August 28th, 1977 and Brent came by my house on Lakeview when I was working on my 1966 1ton Merc 4x4. I said I was going to Ace for a tat, it's my 19th birthday and I had talked to Brian. Brent came and got his too. We had one last good visit not that long ago.
