My condolences to Skips family. I knew Skip very well during my years in Red Deer. Skip, Jody and I went on many great adventures that I carry with me and will always cherish. Both brothers had hearts bigger than life itself. You are missed Skipper.

Skipper worked with us on service rig. One day he was spooling the sandline with a 2"x4" when it smacked him in the lips which left him with a distinctive scar.

Ever since I branded him as Skipper Lips !!

Enjoyed his company last time a few days after Jody's funeral in my boat in Sylvan Lake.

We had a great day !

R.I.P. Skip...

Skip and I became best friends with a bond only best friends can have!! He had a  
big heart, a great sense of humour and an infectious laugh and smile. He was a  
very loving, caring, loyal friend. My partner Jill and I were fortunate to have  
enjoyed Skip's company and we love him dearly. I could go on and on. Rest in  
piece, brother.

Skip and I go back to the early 80s, times were so different when we were young. So many good times. Skip and Jody I will think of you often, never forget the whistle.

RIP brothers.

I knew Skip from the time we both could walk. We lived across the street from one another. The best years of my life were spent with Skip and Jody. I always considered them the best friends I ever had.
