Messages of Condolence

David was a co worker, a mentor, and mostly a friend. He touched a lot of people in the Asphalt construction world in Canada and the USA. A very well respected man in the industry, his knowledge was 2nd to none. David taught me a lot in the time I knew him. I feel I am the most knowledgeable fishermen that doesn't fish or own a rod or reel. He will be deeply missed by friends, co workers, and especially family.
RIP David

I have known Dave for thirty plus years. As a customer he at times was tough as well as fair, but mostly was a pleasure to deal with. He always came into our store in a good and friendly manner.

He was well respected within his industry as well as ours.

It's been a pleasure knowing him, and I will miss him .

Deepest condolences to the Welter family. When I heard of the passing of Dave I was deeply saddened. When I started working for standard General 40 years ago it was Dave and his Father Arnold that showed me the ropes and guided me. I am forever grateful to meet such an amazing hardworking man. He was very knowledgeable in everything he did. He will be missed dearly. Rest in peace my friend.
