To Eileen's family,
I too was born and raised at Yellow Grass and knew your mom and her family well. I also trained at the Grey Nuns and always enjoyed our yearly visits at the nursing reunions each September. Glad to have known her for all the years. Deepest sympathy to all.

Thanks all. When I last talked to Mom before Christmas she was faltering and she told me People want to Live forever but they don't want to Age. All our Birthdays and Holidays were at the cold end of year and I said I wanted to come out in good weather....Now I feel Lost.
