MAY 21, 2023

Wendy Lynn White passed away peacefully on May 21st. Wendy's love for her family and friends was never ending. Wendy was a Daughter, Sister, Aunt and friend to a large family and she was always there for us all. Wendy was very loved as she had such a big heart full of love and we will miss Wendy more than words can ever say. Rest well my sweet child as Mom says and we will see you again one day. Your spirit lives on in all of us.
