Messages of Condolence

To my beautiful Mum

I have missed you for so long.

Your sage advice has carried me through these difficult years.

I have passed your words of wisdom to Emily and will continue to do so.

The unforgiving illness you and Dad endured for so many years stole you and Dad from us.

Not a day passes having you and Dad on my mind.

In difficult times I thought to myself... What would Mum say? What would Mum do?

I have missed you and will always miss you.

Melodie

Angela, beautiful person, beautiful soul, no words will express how hard it is for the family.

I have spent many hours with Angela, before having her moved to SCU. I have taken Angela for bus trips around the city many times.

Angela was an angel to me, sweet, gentle, trapped in an unfortunate situation.

I can feel your pain. It is hard to lose a loved one, while they are still around.

May you all be comforted by knowing that Angela is at peace with the angels.

My condolences to you and the family.

To dear Auntie Michelle, we treasure our memories of you and uncle Ron coming to Rachel and David's wedding. You were so full of fun and warmth, so friendly and beautiful. I loved the stories Nanna would tell of happy times coming over to visit you in Canada. You have left so much in your lovely Tara that you will always be in our conversations and memories. So glad you are enjoying peace and joy and perfect health now in heaven. Much love always, Mary and Mark
