Please accept our most sincere sympathies on the loss of your Husband/Father.

I am so very sorry to hear of Uncle Al's passing, my heart goes out to you at this time and in the days ahead.

In My Pocket

I have memories in my pocket.

They rattle among the change.

My memories of you are treasures I carry wherever I go.

They are stored in bits and pieces, parts of a beautiful whole

They give me comfort when I think I am alone.

Yes, I have memories in my pocket, like so much other stuff I keep there.

But of all the treasures I have, it's the memories of you that are the most precious.

I will miss you Dad you have always been a very important part of my life you were always there for me. You have influenced me more than I even knew until now. I was very fortunate in the last few years to spend time with you and you were my hero and will always be a major part of all decisions I will ever make from this point forward.
