Messages of Condolence

My sincere condolences to Warren's family. My family (Peterson) are old friends of the Wilsons, we were children living across the street from each other in St Albert and Wendy was my best friend. Warren was a big brother to me then, and I have many wonderful memories of him.

Wendy kindly let me know your sad news, and I have told the rest of my family. She sent a photo of Warren taken at his mom's birthday celebration - I was struck by how much he looked like his father 'Ted'.

God Bless you all in your time of loss.
