Mary, we are saddened by Harley's passing, and will miss him dearly. I always enjoyed my conversations with Harley and his warm greetings. His photographs are breath taking and each one is a small reflection of how he viewed the beauty of our world. Take care, and know that we are praying for you and your family.

It is with sadness that we heard of the passing of Harley. We were privileged to know Harley and Mary and some of their journey on this earth. Other than some connection with Harley's theological teaching, we also followed his nature photos with great interest.
We send our sympathies to Mary, Matthew and David. May God especially care and provide for you at this difficult time.
We also thank God for the Ministry he gave Harley, and how well he carried it out until he was promoted to glory. "Well done, thou good and faithful servant".

Most unexpectedly a few days ago, I was just reminiscing about helping Mrs. Winborn who was the cook at Galilean Bible, Camp at Blind River, Ontario for the Canadian Sunday School Camp in the 1980's. I remember her son, Harley who was a camper while she was there. She was a lovely lady and I went down from Sault Ste. Marie to be her helper. I just picked up my iPod to see if I could find any news about that family - to find Harley's death notice.
Sending belated condolences. Good memories from years ago - then I was Barbara Esson, now married to a retired pastor in Ottawa:
