## Messages of Condolence

We are so saddened by the loss of our dear aunt Ina. She was a fun and feisty lady. She had a particular fondness of children and always remembered each one's name. We had gotten to know her so much better in the past few years after moving to the Central Alberta area. She was always ready for a visit and willing to share old family stories and antics. She was always a favorite great aunt in the family and will be dearly missed by all that she knew.

Love and hugs to the entire family. Betty and Wayne
