Messages of Condolence

I/We are at a loss. Woody was a friend. A friend that memories from a beginning (1979) cannot erase. A true friend that I saw always hold true to my heart. I can remember her laugh, her caring of my two little girls from the beginning (now 39 & 37), her great cooking of a stew (always loved when she said for us 3 to stay when Guy out of town!), her wholebeing was part of the Mersereau family. As I worked, she brought up my 2 little girls. She & Larry are Erins' God Parents who graciously stood up & took on that short term task. So many thoughts run through my time with her. I shall miss her. Here is hoping that Heaven has Bingo. And when the time comes, I shall sit next to her for the next Bingo game. God Bless You Woody. You will always be in my heart.
