Barry Thomas Wright

JUNE 2, 2023

Barry left behind his loving wife, Rhonda. Married for 39 years. 3 children; Daughter, Caley (Wichita, Kansas), Daughter, Kelly (Vancouver, BC) and Son, Bradley (Cranbrook, BC); 10 grandchildren; and one brother, Duncan (Moosejaw, SK).

Barry was a hard-worker and a great provider for his family. He enjoyed working with every one of his co-workers from Woseley Plumbing (Cranbrook Branch). He was a wonderful son, brother, husband, father, and grandfather.

He will be missed terribly by family, friends, and co-workers.

“He will Never be forgotten.”

Messages of Condolence

Barry was kind and considerate. Even on the rough days at work, he still managed a smile, and an offer to help if he saw a need. I will miss his sharing of his camping stories with Rhonda and their little Lily (Fuzzybutt). One of the best people I know/knew.

He was the most amazing father anyone could have been blessed with. I couldn't have created a better dad if I had been given the tools and task to do so. He was strong, tenacious and loyal, Smart, witty and funny, strong, brave and loving. He was a good provider and protector and he was always reliable and consistent. He saw things through to the end, never giving up. I miss him every day, and will continue missing him every day until we meet again. But I know he's watching over all of us, biding his time until he sees the perfect opportunity to play a prank on one of our poor unsuspecting selves. He was the best.
