Dear Veronica and Mike, I just learned of Tim's passing today and though we have not seen each other for some years I remember him fondly. When I think of Tim and working with him at the golf course, I can only smile. He always made me laugh. My heart feels heavy and I will miss him dearly. I hope you have some comfort in knowing he touched so many people with his humor and personality. He had a real life force that drew people to him and that is how I will always remember him. You are in my prayers and I hope some comfort comes from knowing how many lives he has touched. God bless.

— **Erin Gervais**

I still miss him and think of him often.
